King's College is proud to welcome Chartwells as their new dining services provider. When students return for the fall semester, they will be happy to see numerous changes to the dining program. From the introduction of new concepts like Chick-fil-A and value oriented meal plans to a new 24/7 convenience store and enhancements to the dining space focused on creating a greater sense of community, the new King's College Dining will be a whole new dining experience.

Eat Well with Balanced U

Eating healthy, balanced meals will help you study and keep you looking and feeling your best. Balanced U is your guide to finding foods that are right for you.

Resident Plans

Meal plans have been completely redesigned this year to better meet student dining needs on campus. Students living in Esseff Hall, Holy Cross Hall or Luksic Hall must choose from the 275 or 250 Block plan options. Block plans, or meal swipes, allow students to use your meals however you wish throughout the semester. Use 7 meal swipes one week and 10 the next. With our block plans, meals will carry over from week to week. Each Block Plan also comes with Flex Dollars, which is a declining balance account that can be used for food in any dining venue on campus to purchase meals, snacks, and beverages.

- 275 Meal Swipes plus 200 Flex Dollars 3,039**
- 250 Meal Swipes plus 350 Flex Dollars 3,039**
- 200 Meal Swipes plus 450 Flex Dollars 2,839**
- 125 Meal Swipes plus 400 Flex Dollars 2,009**

Please note: First Year students living in these residence halls must participate in the 275 Block plus 200 Flex or 250 Block plus 350 Flex meal plans. Second year resident students living in these resident halls can purchase the Block 275 and 250 as well as the Block 200 plus 450 Flex Dollars. Students living in College apartments (Alumni Hall, Flood Hall or O'Hara Hall) must participate in any of our four resident plans.

Apartment & Commuter Plans

Even though you may not live on campus, students living in local apartments or commuting from home deserve to experience the same dining options as students living on campus. New plans specifically designed for the lifestyle of students not living in campus housing have been created. Block plans, or meal swipes, allow students to use your meals however you wish throughout the semester. Use 5 meal swipes one week and 3 the next. With our block plans, meals will carry over from week to week. Each Block Plan also comes with Flex Dollars, which is a declining balance account that can be used for food in any dining venue on campus to purchase meals, snacks, and beverages.

- 75 Meal Swipes plus 125 Flex Dollars 1,009**
- 25 Meal Swipes 259**

You can also choose from any of our other plans as well!

Meal Exchange

To increase the flexibility and value you receive with your meal plan, a new meal exchange option is included with all meal plans. Each retail location on campus, with the exception of Chick-fil-A, will feature daily value oriented King's Dining Meal Deals, which will comprise of a full meal such as a hot or cold sandwich or entrée, side dish, and a beverage. Students can use one meal exchange per meal period and is paid for with a meal swipe.
